

December 2012

Parking Management is Valuable Even with a Parking Deficit

Paul A. Barter

Director, Reinventing Transport and Adjunct Professor, National University of Singapore

www.reinventingparking.org

for the Transport Demand Management in Beijing – Emission Reduction in Urban Transport program
of the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) in China

and

the Beijing Transportation Research Center (BTRC).

This report elaborates further to explain the arguments made in a presentation during the
author's mission to Beijing in September 2012.
